

Inspection body

We are an inspection body, reference material producer and proficiency testing (PT) provider. For a wide selection of proficiency testing schemes the DRRR is accredited acc. DIN EN ISO/IEC 17043 (please look into the appendix of our scope of accreditation). Proficiency Testing schemes that are not covered by the scope of accreditation are specially marked with *) in the product catalogue/on the homepage.

In very rare individual cases an accredited proficiency testing round will not be carried out within the scope of accreditation due to technical or organizational reasons. In these rare cases the DRRR will inform the participants before the start of the proficiency testing round, thus before the sample shipment. An immediately free cancellation for the participants is possible until the date of the sample shipment.

Your benefit

Our proficiency testing schemes cover a wide range of tests and analysis for material testing. Thus you can benefit from our high quality standards in all important testing fields:

in 2019 more than 500 accredited Proficiency testing schemes are offered

By participating in our proficiency testing schemes you have an objective and independent impression of your quality and performance of your routine testing method. Your benefits taking part in DRRR proficiency testing schemes:

- Participation in proficiency testing is required by several facilities
- Participants can compare, assure and improve their own performance and quality
- Recognition of the applied method compared to the other laboratories
- Unquestionable lab performance towards customers and certification authorities
- Saving costs of lab development and maintenance
- Saving on the working time in the lab and many other benefits

Statistical principles

Depending on the distribution of the data, the following statistical methods are used for evaluation, amongst others:

- **sensible statistics**
- **sensible statistics with outlier elimination (e.g. Grubbs or expert outliers)**
- **robust statistics (Hampel-Schätzer, Q-method)**

Registration/information

Simply brilliant, your proficiency testing with ODIN.

- Convenient proficiency testing participation with ODIN easy, safe and clearly
- Fast and easy online registration / online announcement in our online catalogue
 - Direct management and booking of the proficiency testing
 - Overview about the registered proficiency testing schemes
 - Fast and secure submission of your results via ODIN
 - Online access to individual customers reports and certificates
 - Supervisor rights available to overview all PTs of a multi-site company
 - saving of costs through booking and submission of your results via ODIN

You can also use the following pages as a registration form or download them on our homepage:

Registration - Proficiency test 2019

In the tables above each Proficiency test has been allocated to a fixed test period respectively to a fixed time planning.

1

Proficiency Tests with the period March 2019

Sample shipment: 25.-29. March 2019
Reporting Deadline: 7. June 2019

2

Proficiency Tests with the period April 2019

Sample shipment: 22.-26. April 2019
Reporting Deadline: 5. July 2019

3

Proficiency Tests with the period May 2019

Sample shipment: 27.-31. May 2019
Reporting Deadline: 9. August 2019

4

Proficiency Tests with the period September 2019

Sample shipment: 23.-27. September 2019
Reporting Deadline: 15. November 2019

Schedule 2019

Uniform distribution of the Proficiency Test over the year:

4 shipping dates

Accordingly there are also 4 dates for test result submission.

Additional samples are required for the following tests:

Quantity

Art.- No./ Proficiency testing type

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Additional samples

If you have further questions do not hesitate to contact us!

+49(0)831/960 878-0
info@drrr.de

If you register for a large number of Proficiency tests please contact us for special prices!

- Report by postal delivery (+ 40,00 €/Proficiency Test)
 An offer with the total costs is needed
 A Purchase order from the purchasing department will follow

Registration by mail: info@DRRR.de

Hereby we confirm obligatorily the participation in the above mentioned test(s) and the order for the additional sample sets.
