Official company name:	
VAT number (or company registration number):	
Address:	
ZIP:	
City:	
Country:	
Invoice reference/ Purchase order reference:	
Email address for invoice:	
Comments:	

Laboratories are reminded that it is your responsibility to ensure that your laboratory has met all local regulations related to the importation of microbiological proficiency testing material. Where import permits are required, please provide a copy to Eurofins.

We will do our very best to provide information in order to assist with importation. However, Eurofins takes no direct responsibility for any delays in importation or importation failures.

Please feel free to contact us if you would like additional information.

Best regards,

Nina Skammelsrud
